M1	With the comm relay station back on line here in H'hrrass, the Midway has contacted a small resupply convoy passing through the Hellespont system.	BRFGM1a	a
M1	A portion of this convoy has broken off from the main body and will shortly make the jump to H'hrrass.	BRFGM1b	b
M1	In order to ensure that the supplies and munitions aboard these transports are able to reach the Midway, enemy patrols must NOT be allowed to discover the presence of the convoy.	BRFGM1c	c
M1	Several patrols in force will be launched from the Midway to sweep this system free of all enemy scout vessels.	BRFGM1d	d
M1	Your Alpha Wing will be assigned a three-point patrol along this nav route.	BRFGM1e	e
M1	Destroy all enemy fighters along this route.	BRFGM1f	f
M1	When your patrol is completed, return to the Midway.	BRFGM1g	g
M2	The first tranports have arrived through the Hellespont jump point, and are awaiting an escort back to the Midway.	BRFGM2a	a
M2	A wing of Shrike bombers has accompanied the convoy, and will be added to the Midway's fighter complement.	BRFGM2b	b
M2	Your Alpha Wing will be dispatched immediately to rendezvous with this convoy at NAV 1.	BRFGM2c	c
M2	Destroy all enemy vessels in the area and escort the transports and bombers back to the Midway.	BRFGM2d	d
M3a	The enemy carrier is now aware of our presence, and is closing quickly for a strike upon the Midway.	BRFGM3aa	a
M3a	Due to your successful diversion, Maniac's Bravo Wing was able to quietly escort the second convoy back to the Midway.	BRFGM3ab	b
M3a	With the addition of the ships and munitions carried by this convoy, we will now be able to stage a full assault upon the enemy carrier.	BRFGM3ac	c
M3a	An enemy carrier has entered the system and is closing quickly for a strike upon the Midway.	BRFGM3ad	d
M3a	With the addition of the Shrikes and the munitions from the supply convoy, however, we will be able to strike first at the carrier.	BRFGM3ae	e
M3a	Your Alpha Wing will escort Bravo Wing's bombers, under Spyder, in an assault on the enemy carrier.	BRFGM3af	f
M3a	To ensure the destruction of the carrier, concentrate on eleminating its turrets and shield emitters.	BRFGM3ag	g
M3a	When the attack is completed, return to the Midway.	BRFGM3ah	h
M3b	Due to the loss of the convoy transports, the Midway is dangerously short of needed supplies to continue its offensive into T'lan Meth.	BRFGM3ba	a
M3b	Fortunately, a second group of transports has left the main convoy and is moving toward our position at top speed.	BRFGM3bb	b

M3b	In order to ensure that this convoy arrives safely at the Midway, we will stage a diversionary attack on enemy forces in this system in an attempt to draw off any heavy enemy forces.	BRFGM3bc	c
M3b	We have reason to believe that there is a large enemy vessel in this vicinity.	BRFGM3bd	d
M3b	Your Alpha Wing will be making a sweep of this route, with the intent of locating this starship and making a preliminary attack on its turret defenses.	BRFGM3be	e
M3b	When the enemy's defenses are sufficiently weakened, complete your sweep and return to the Midway.	BRFGM3bf	f
