

OPTION 1 (New game)

option 2

option 3

- Betty will be using
Stitch's looped Ambience
(can he handle it)

- JTB voice - may not be
overprocessed. Might sound
better w/ ambient mix, as
planned.

- One stitch lost copy of
people (union) to call
back in.

→ Stitch/Betty to
evaluate

- ~~the~~ overprocessed main
character voices?

- Betty says that the Red
shirt process is OK.

Stitch to.

- Plan for 12 redo - probably do
(with '00)
