#### **Vaquero**

**840-"You're shooting the wrong GUY" (vato replaced)**

#### **Vagabond**

**Does not deviate from his script.**

#### **Maniac**

**Is a real deviant. He consistently added whoops and "ha's" and "woah's", I've only listed the script changes as it would be useless to try to imitate and probably wouldn't sound right in another language.**

**715-"WELL help me out ace" (extra word)**

**718-"YOU need a hand colonel" (extra word)**

**725-"AW SCREW 'em aaalll" (extra word and FUCK replaced)**
