

Privateer™

Only \$79.95

Pprivateer is the next generation space-combat simulator, using technologies pioneered by *Wing Commander* and *Strike Commander*. You move through an intensely cinematic universe, experiencing the different thrills of closing a hard bargain and real-time, 3-D space combat.

Become a battle-hardened mercenary, secret agent, enemy spy, shrewd merchant or all of the above in *Privateer*, a whole new saga in the popular *Wing Commander* series.

Privateer is filled with all the space combat action you've

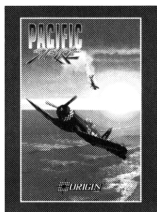

come to expect, plus new perils and dilemmas no Confederation pilot has yet to face. *Privateer* – be the captain of your own destiny!

- *Privateer* is a complete universe with nearly 60 bases and planets in almost 90 systems. Adventure, trade and exploration are limitless, even after the main game has been completed.
- ORIGIN's dynamic sound system matches the changing on-screen action.
- Strong characters with realistic motives bring the *Privateer* universe to life.
- The battle for salvage adds a new dimension to space combat when you try to tractor in valuable commodities before pirates can get to them ... or to you.
- Accept an infinite variety of missions from Mission Computers, the Mercenary's Guild, Merchant's Guild or the nefarious fixers that inhabit every bar in Gemini Sector.

Pacific Strike™

Pacific Strike is the WWII flight simulator that plunges you into the war in the Pacific. The plot begins with the Japanese attack on Pearl Harbor and leads you through the intricate battles of the Pacific Theater. But here you have the chance to rewrite history.

Only \$79.99

- Pit yourself against Japanese Zeros, Kates and Vals, all with incredible detail.
- Search and destroy missions take you to Pearl Harbor, the Coral Sea, Midway, Guadalcanal, Solomon Islands, the Marianas, Leyte Gulf, Iwo Jima and Okinawa.
- View ORIGIN's acclaimed RealSpace™ technology, with unequalled detail as you fly the Wildcat, Corsair, Hellcat, Devastator, Dauntless and Helldiver.

Strike Commander™

The release of Strike Commander marks the completion of two years of intense software development. Using our RealSpace™ graphics system – the industry's most advanced technology – ORIGIN has created a flight simulator of uncompromising quality and realism, interwoven with a gripping cinematic story.

- Pilot two different fighters against fourteen types of enemy aircraft.
- Painstakingly designed for the most authentic flight dynamics and avionics performance in the computer industry!
- Includes all new ORIGIN/FX® sound system with a dynamic orchestral soundtrack that adjusts to the emotional intensity of the action.

Only \$79.99

Strike Commander: Tactical Operations™

You've flown missions all around the world. You've taken on the best and won hands down. But can you survive a hit from the tax man?

Six months into a well-earned break, you've purchased new planes and completed repairs to your base. But then...the Turkish government decides to take a bigger bite from the prosperity of the Istanbul mercenary squadrons. By the end of the year, you could be paying as much as 20% more in local taxes. Times are uncertain, and although competition is getting scarce, missions are growing scarcer as the fixers drift away in search of better markets.

Only \$29.99

- Tackle the F-117, the AGM-109 and more!
- Varying levels of success challenge you – it's not just win or lose anymore!
- Fly head to head against cruise missiles with our higher levels of realism.

Shadowcaster™

As the Shadowcaster, you take on many forms in the battle for survival. But change comes at a price. In one form, you're quick and agile, but small and fragile. In another, you're a nearly indestructible giant, but ponderous and slow. You alter shapes at will – each form unleashes new powers, but also reveals new vulnerabilities.

Only \$79.99

- Optional mega-view provides a point-of-view display that covers 75% of the screen.
- Morph at will – each of the six morphforms unleashes new powers and reveals new weakness.
- Encounter a wide variety of enemy creatures – the form you take helps determine your ability to defeat them.

Wing Commander®: Freedom Flight

One of Baen's biggest stars and a Wing Commander director collaborate on a novel set in the most exciting game universe of this decade (or any other)!

Mercedes Lackey — Ellen Guon

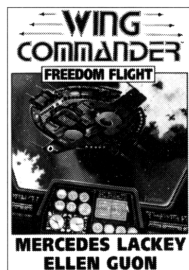

United they fly, divided they fall —

Ralgha nar Hhallas, captain of a war cruiser, noble lord of the Kilrathi empire — and a rebel ...

K'kai of Firekka, among the first of her winged species to leave her planet for the stars ...

Captain Ian St. John, callsign "Hunter" — who thinks he's in it just for the thrills of behind-the-line action ...

They were as unlikely and mismatched a crew as any that ever flew between the stars. But together, they might free a world!

Wing Commander: End Run

by Christopher Stasheff and Bill Forstchen

What are the Kilrathi protecting on the remote world of Vukar Tag? Mission Specialist Ramona Chekhova and the crew of the *Johnny Greene* must go where no human has gone before to discover their secret, even at the cost of their lives. And once it is revealed, how can Jason "Bear" Bondarevsky, former mutineer and now commander of the *Tarawa's* ragtag fighter wings, exploit it when the Confederation is most desperately in need of a miracle?

Wing Commander® I & II: The Ultimate Strategy Guide

Only \$18.95

Get the whole story on *Wing Commander I* and *II*. Learn the tricks of the master pilots, the secrets they never taught you in flight school! The *Strategy Guide* includes:

- Maps of the most important missions.
- Illustrated hints and tips.
- Tactical maneuvers used by ORIGIN's own playtest team.

Also contained in this amazing volume is a revealing interview with *Wing Commander's* creator Chris Roberts, and the inside story of the making of *Wing Commander*, a process as complex and detailed as the making of a Hollywood movie. Enhance your enjoyment of the *Wing Commander* universe — and your success against the Kilrathi — with *The Ultimate Strategy Guide*!

THE *Wing Commander* SERIES

Jump into *Wing Commander*®, the game series that defined interactive entertainment on the PC. You're whisked to the front lines and left in the middle of an intergalactic brawl with a bunch of flea-bitten, battle-scarred felines from Kilrah.

And the cats are ready to rumble! You'll launch into more than 160 dog-fight-filled missions, first as a scared rookie pilot assigned to the carrier Tiger's Claw, later as a combat-hardened veteran fighting to save his reputation. And you'd better be good, because the action intensifies, the opposition stiffens, and the stakes climb with each victory.
